WINEMAKER COMMENTS
I adore Nebbiolo. Nebbiolo is an Italian varietal known for its acidic and tannic structure, all while being quite light in color. I became enamored with the hauntingly good wines of Barolo and Barbaresco while visiting Italy, and became inspired to make a California Nebbiolo. Thus, I am very pleased to present to you this fine Nebbiolo. Aromas and flavors of rose petal, tar, cherry blossom, tea leaf, minerality (like licking a terra cotta clay pot) and cranberry.
